

Angels fly to you from the sky every day. Twinkling stars. The moon shines. My heart is full of dreams. On one fine morning you and I.

Angels give you their blessing. Days full of excitement and joy. Twinkling stars. The moon shines. My heart is full of dreams. On one fine morning you and I.

Angels give you their blessing. Days full of excitement and joy. Twinkling stars. The moon shines. My heart is full of dreams. On one fine morning you and I.
